## II ALUMNI MEETING

*State of Mind*

FANO, Italy

28-29 June 2024

[www.aofan-meeting.it](http://www.aofan-meeting.it)

Ten worldwide famous experts in aligner orthodontics, reunited in the small city of Fano, where AOFan was born and where we can't wait to welcome you, for a fantastic weekend together.

# Location

28 - 29 June - Fano, Italy

After the success of the first edition in 2022, we decided to organise again the Alumni Meeting in Fano, where our AOFan project was born but making it International this time!!

By now, many of you know us, we are kind- hearted people and we were keen to host you here again; the promise is that the extra journey you take to reach us, will be amply rewarded by a scientific program of the highest level and even better social part!!

The conference venue could only remain the beautiful Teatro della Fortuna, a historic and prestigious place, located in the Central Square of Fano and at the same time just a few minutes walk from the sea and the main points of interest of the city.

Most of the recommended hotels allow you to reach the Theatre in maximum 5/10 minutes, with a pleasant walk through the shopping streets of the historic center.

The summer season will allow you to enjoy a weekend at the seaside or a tour to discover our beautiful region, Le Marche ([www.wonderfulmarche.com](http://www.wonderfulmarche.com)) Many extra- conference activities and surprises were also planned for those who want to come to Fano with the whole family.

# AOFAN MEETING
